

To all people who care about Blunham,

As you may be aware, the Parish Council in conjunction with the Neighbourhood Plan Steering Group, are working together to produce a Neighbourhood Plan for Blunham. Such plans are written by and based on the views of the local community – the people who know and love the area. The Neighbourhood Plan will set out the vision and aspirations for our area and sit alongside the Central Bedfordshire Local Plan 2015-2035. The Neighbourhood Plan policies, along with those in the Local Plan, will be considered by the CBC Planning Officers when determining planning applications. It is our opportunity to shape the place where we live over the next 10 years.

The steering group, comprising parish councillors and residents, is compiling the Neighbourhood Plan on behalf of the community, and it is essential that we engage with as many people who live, work and go to school or social groups in the Parish of Blunham as possible.

As part of the whole process, we need to find out in broad terms what our community's priorities are. You can help us by filling in this short questionnaire, so we can focus the Plan on the things which matter most to you. Everyone who lives or works here or who has any other connection through the school, places of worship or other social groups in Blunham is eligible to respond.
